## Recorder Solo Evaluation

	Steady Beat	Rhythm	Pitch	Hole Covering	Breath Control
Exceeds	Steady beat throughout	Accurate rhythms throughout	Accurate pitch throughout	All holes covered accurately throughout	Appropriate light breath throughout
Meets	Steady beat throughout	There one or two minor errors	Pitch was accurate with one or two minor errors	Majority of holes covered accurately. May be one or two minor errors.	Appropriate light breath throughout, may be a little too strong/weak
Progressing Toward	May have a few slight breaks/pauses or rushing	Some correct rhythms 3-5 errors	Some correct pitches. May have two notes/fingerings mixed up	Some difficulty with hole covering 3-6 errors	Breath control is slightly lacking. Blowing either too hard or too soft.
Beginning to Develop	Lacks steady beat	Many rhythmic errors	Many pitch errors	Demonstrates lack of ability to cover holes	Overblown throughout
