

Dear Douglas Families,

I am very pleased to introduce myself to you as your child's music teacher. My name is David Moniz and I'm thrilled to be working here at Douglas Primary/Elementary School. This school year is promising to be an exciting adventure of getting to know everyone and exploring our world through the unique lens that is music.

I am looking forward to working with you and your child in reaching his/her musical potential. We have many wonderful experiences and opportunities to learn and grow in the days ahead.

I believe that communication is the key to a great parent-teacher relationship. I encourage you to contact me if you have any questions or concerns at any time. You can send me a note, or email me at dmoniz@douglasps.net. I will also do my part by sending out newsletters to update you on what we have been doing in class as well as things that are up and coming. For individual concerns, I will contact you by phone, send a note home, or email you (if an email address is provided).

Please feel free to participate in your child's music education as much as you are able. If you would like information regarding my curriculum and how you can take a more active role in his/her music education, please contact me via email or check out my website, monizmusic.weebly.com. I hope to hear from you soon!
